## **City of Pico Rivera GAZEBO RENTAL POLICIES, RULES & STANDARDS FOR USE**

### **GENERAL INFORMATION**

When a park gazebo is not needed for recreation or community service activities and has not otherwise been set aside for public use, applicants may have the opportunity to reserve park gazebos.

Reservations must be made in person or online at least two (2) weeks days prior to, and no more than six (6) months in advance of, activity date. Reservations will NOT be accepted by telephone, e-mail, mail, or fax.

Each reservation is subject to the approval of the City on a first come, first serve basis.

Payment in full is required at the time of reservation.

Available hours for gazebo reservations are 9:00 a.m. - Sundown. All personal equipment and decorations are to be provided, set-up, and removed within the permitted hours of reservation by applicant.

### **RULES & REGULATIONS**

All park users must comply with all provisions of the Pico Rivera Municipal Code.

The City reserves the right to revoke or cancel reservations if there is a conflict with City use, if unsafe conditions are present, if there is any abuse or damage to park gazebos or other City equipment, or if any violation of the Pico Rivera Municipal Code is observed. City staff will contact applicant to notify them of any necessary closures. Permits may be revoked and/or future reservations denied if found in violation of the Pico Rivera Municipal Code. A full refund will be issued no later than 3 - 4 weeks of receiving the cancellation notice.

The City of Pico Rivera, the Department of Parks and Recreation or its agents is not responsible for lost, damaged, stolen and/or misplaced personal items or equipment owned by the applicant or their guest(s).

Events open to the public must adhere to the Americans with Disabilities Act.

City staff has the authority to request any person(s) to leave the park premises if they are in violation of any City rule or regulation as defined in the Pico Rivera Municipal Code, Chapter 8.44.010.

Only permitted, standard inflatable jumpers are allowed on park premises. A standard inflatable jumper is 13'W x 13'L x 13'H. Larger inflatables are prohibited. For application, inspections, and insurance requirements, call (562) 801-4430.

Electrical outlets may not be used for inflatables at any public park or facility. A generator, no more than 1800 watts, must be used with your approved rental.

The use of a standard, barbeque grill is permitted. All grills must be in designated areas and always attended to. Hot coals must be extinguished prior to leaving the gazebo. Coals must be disposed of in designated receptacles. Do not dump coals or grease in trash receptacles or on the ground.

The use of canopies is permitted. A maximum of two (2), 10 ft. x 10 ft. canopies is allowed. Free standing canopies must be secured with sandbags or weights. The use of extra chairs and tables is permitted but should not exceed the capacity of the gazebo. Items must be carried onto the grass; dragging items and/or driving on park grounds is not permitted.

If the applicant would like to bring a piñata to the park, it must be self-supporting or hung from a tree over a grass area utilizing only a rope. Patrons may not climb trees or onto buildings to hang piñatas. Applicant must clean up and dispose of all debris that is created by the piñata, including the rope.

Clean-up is the applicant's responsibility. Clean up includes removing all food, food debris (on tables and floor), decorations (including tape), picking up the garbage and placing it in trash receptacles, before the reservation ends. The gazebo must be left in the condition in which it was found.
